Covert Kit
PTT/Mic

Lightweight
Headset
(PTT opt.
available)

Medium/
Heavy Duty
Headset

Long and short term hire options available

Motorola GP344

ANALOGUE

The small and smart GP344 offers all the functionality of the popular GP340 but one third smaller and lighter. Its size and weight makes it particular suitable for customer-facing environments when radio usage is required to be more discreet.

Each Radio includes:

- Aerial
- Battery
- Belt clip or carry case
- Charger

Programming to our hire frequencies or your own personal frequencies.

Recommended Accessories

Earbud
with PTT/Mic

Earpiece
with PTT/Mic

D Shell Headset
with PTT/boom Mic

Motorola GP680

TRUNK

Offering increased functionality designed with the complicated communications requirements of larger organisations in mind.

The GP680 has a full keypad and an alpha-numeric display including battery gauge and caller identity. The simple intuitive menu and contact list makes one-to-one or one-to-many calls easy, and for occasions when voice communication is inappropriate, pre-defined text messages can be sent between users.

Each Radio includes:

Aerial
Battery
Belt clip or carry case
Charger

Programming to our hire frequencies or your own personal frequencies.

Recommended Accessories

Remote
Speaker
Mic

One wire
Earpiece
PTT/Mic

Two Wire
Covert Kit
PTT/Mic
